IMPORTANT NEWS REGARDING APACHE TOOLS

Hello

We are pleased to announce that TransQuip are now the new owners of the Apache Tools range. We would like to take this opportunity to thank you for your business and we recommend that you continue to use these great products, using TransQuip as your new supplier. The handover of the range was completed as of 1 October 2018.

We are working hard to ensure the handover is as smooth as possible and has very little impact on your business.

TransQuip strive to be the leading supplier of innovative, high quality, reliable products to the civil construction and transport industries and the acquisition of Apache Tools is helping them on this mission.

TransQuip have offices in Christchurch and Auckland and service New Zealand nationwide. They are a New Zealand owned business and can be contacted on:
